An Introductory Day for Total Newbies with David Simons

The 30th CLAS Festival of Calligraphy is being held at the Scarman Conference Centre, Warwick University from the 3rd to the 9th of August 2025. The hard copy of the brochure went out with the November Edge, but it is also available as a download on the website.

It's a great week not just to attend workshops but to meet your fellow calligraphers and learn with some wonderful tutors.

Any queries, contact us at [festival@clas.co.uk](mailto:festival@clas.co.uk)
